

Request for VGCCC data

RES010525

Use this form to request data from the VGCCC that is not already published on the VGCCC website. This form cannot be used for Freedom of Information requests or requests concerning a specific licence or licensee.

A. Details of individual/organisation

Name*

Title* (Mr/Miss/Ms/Mrs)

Organisation (if applicable)

Contact details:

Telephone number*

Mobile

Email address*

C. Please indicate preferred format:*

Excel

PDF

Word

Other:

Please indicate what the data will be used for:

research for a government body, university or education institution

commercial purposes

app or software development

law enforcement purposes

the preparation of a public submission or media article

other:

Please provide a detailed description of how you will use the data

B. Details of data/information requested*

Please describe the data/information requested. Please provide as much detail as possible. Consider including dates (for example, between 1 Jan and 31 Dec 2012) and locations (for example, City of Melbourne). If we require additional information, we will contact you.

Requests can take four to six weeks to process depending on the type of request and availability of resources. Requests received during peak periods may take longer, particularly between June and August when end of year financial data is prepared.

Will the data be published? If yes, please enter the name of the publication.

Yes

No

Name of publication

D. How to lodge this request

Save a copy of the completed form and email to:

contact@vgccc.vic.gov.au

Privacy – The Victorian Gambling and Casino Control Commission is committed to responsible and fair handling of personal information consistent with the *Privacy and Data Protection Act 2014* and its obligations under other relevant legislation. All information provided in this form is collected for the purposes of assessing a request for data the VGCCC holds. The VGCCC may also use information collected in this form to report on the release of data in response to the application. This may include public reporting.

Internal use only
